

## Millennial Action Project Gift Acceptance and Donor Policies

### Your giving:

To ensure your gift has the greatest impact, the Millennial Action Project (MAP) encourages donors to give unrestricted gifts. Restricted donations to special programs and in-kind support must be discussed in advance with our team or be directed towards established programs.

We accept – and encourage – gifts of stock, in-kind support, gifts from donor advised funds, and would be grateful to be considered in your planned giving.

Please reach out to Amy Eastman, Director of Development, at [amy@millennialaction.org](mailto:amy@millennialaction.org) to discuss your giving.

### Your rights as a donor:

MAP upholds the [Donor Bill of Rights](#), and MAP donors have a right to privacy, honest communication, confidentiality, appropriate recognition.

MAP is committed to fostering a community of supporters dedicated to transcending political polarization. We are proud to celebrate our supporters, and we may recognize you by name in event collateral, annual reports, and other materials. *Please contact MAP if you prefer not to be publicly acknowledged.*

MAP does not sell or share the data of our supporters to third parties.

### Maintaining the MAP Ethos:

We are committed to centering the [MAP Ethos](#) in all of our work. Our donors and partners help MAP to innovate freely and build trust across partisan divides.

Our organization will not accept gifts that 1) undermine the mission or ethos of the Millennial Action Project; or 2) place undue administrative, financial or other burden on MAP.

Determinations as to acceptance of gifts may be made by the Chief Executive Officer or the Board of Directors, as well as by leaders of our Finance and Development departments.
